

Lab safety awareness confirmation form

ESMP Lab

I, _____, confirm that I have read and understood the following safety documents, governing the safe work in the ESMP labs:

1. Advice in case of an emergency
2. The ESMP group lab safety rules
3. Instructions for waste management
4. Instructions for proper fume hood usage
5. Instructions for proper glove selection

I also confirm that I agree with the content in these documents and will abide by the rules spelled out in them.
